

FACT SHEET

- In Diamonds For Water, you and your team are in a race against the clock to solve real-world water problems around the globe before water runs out! Choose one of five water experts with special Actions and Skills, and build your deck to provide the best chances of raising the currency needed to solve each problem. But be careful! Just as in the real world, your characters have conflict, even as they try to work together.
- Rules: <https://biggirlgames.us/wp-content/uploads/2020/08/Diamonds-for-Water-Rules.pdf>
- This water-themed game deals with economics, governments, climate change, and more!
- Mechanics include cooperation, deck-building, investment, race-the-clock.
- For 2-4 players
- 60-120 minutes
- Ages 10+
- Coming to Kickstarter this fall! All prototype artwork and assets subject to change.
